

Join us for our

Summer 2023

Collaborate, Create, Construct!

Summer is a great time to explore or dive deep into constructing new things with our children. Our summer camp will engage in fun and immersive hands-on activities that will promote teamwork, leadership and problem solving.

Registration opens
March 21st, 2023

About the camp

Weeks 1 and 2:

Colorful World

- exploring materials through colors: watercolors, paints, crayons, markers, chalk, pastels

Weeks 2 and 3:

What We Build

- clay, playdough, cardboard, wooden blocks, legos, etc

Week 3 and 4:

Natural Connections

- using natural materials to create compositions, musical instruments, self portraits, structures

Week 5 and 6:

Reuse to Make New

- using recycled materials to create instruments, buildings, sculptures, art, etc.

Weeks 7 and 8:

The Movements We Make

- stories we create through dance, yoga, martial arts; what can we create when we move bodies together (team work, lifting others up, etc.) when we move by ourselves? Shadow play, music with our bodies, etc.
